PHILIP MARCEL MARATAS

SOFTWARE DEVELOPER

Hello, I'm **Philip Marcel Maratas**, an aspiring **software developer** with practical internship experience in backend development. My dedication lies in refining these skills further and continuously expanding my expertise. I approach software development with a professional mindset, eager to grow and learn within this dynamic field. I'm driven by a passion for continuous growth and aim to make significant strides in the field of software development.

A dedicated software developer that passionate about coding, always learning and getting better, and committed to creating top-notch software that users love. I like exploring new tech, pushing limits, and making a real impact with technology.
